

## **Mantle of Light**

Beloved Presence of God "I AM" in me, in the name and by the Power of the Holy Christ Self within me, and that is mine. I do now gratefully acknowledge and accept your mantle of Electronic Light substance, enfolding me as an ever constant, ever blazing and ever expanding protective tube of Light around me.

From within thy Cosmic Heart, I feel the pulsation of the Flame of Divinity, the Flame of my Holy Christ Individuality anchored within my human heart and enfolded in the Golden Radiance through which flows at all times, the Virtues, Qualities, and Blessings from you and your messengers, to me and through me to all Life everywhere.

I also now invoke the additional assistance of Eloah Lord Hercules, Archangel Michael, Beloved Master Jesus and Eloah Claire, Beloved Mother Mary, and Beloved Lady Astrea, to keep this activity of Protection sustained about me and my world, in order that only the Will of God may be manifest in all my activities, in all places and at all times

For I make this call in the name and by the  
Mighty Power of God.  
In God's most Holy name,  
I AM
