

The Violet Flame of A Thousand Suns

This invocation is stated in the 1st person, so that you will experience this activity of Light personally and tangibly. But KNOW that you are serving as a surrogate on behalf of every man, woman, and child on Earth. As you invoke this Gift of the Violet Flame for yourself, you are simultaneously invoking this Sacred Fire on behalf of ALL Humanity. Through each person's I AM Presence, the Violet Flame will respond in perfect alignment with each person's Divine Plan and the highest good for all concerned.

I AM my I AM Presence and I AM One with the I AM Presence of ALL Humanity.

I AM the Open Door for the New 5th-Dimensional frequencies of the Crystalline Solar Violet Flame which are more powerful than any human mis-creation.

I AM inbreathing this Crystalline Solar Violet Flame into my Heart Flame, and I AM breathing this Sacred Fire out through my Heart Flame to bless all Life on Earth.

As I breathe the Violet Flame into the physical plane of Earth through my Heart Flame, Saint Germain and the Legions of Light associated with the Violet Flame expand and expand this Gift from my Father-Mother God until it is pulsating with the power and might of a thousand Suns.

I now decree that this exquisite Violet Flame instantaneously transmutes the human mis-creations affecting every person, place, condition, or thing on Earth, whether these painful experiences were created consciously or unconsciously, in the past or present, through obvious choice or through karmic liability.

I decree that the Violet Flame transmutes every electron of precious Life energy that is in any way blocking or preventing the manifestation of the patterns of perfection for the New Earth.

Now, through the Heart Flames of ALL Humanity, Saint Germain and the Legions of Light who are associated with the Violet Flame begin to blaze, and blaze, and blaze the Violet Flame with the intensity and power of a thousand Suns through Humanity's human mis-creations as I decree:

Beloved Legions of Light associated with the 5th-Dimensional Crystalline Solar Violet Flame...

Blaze the Light of a thousand Suns through the thoughts, words, actions and feelings of every

man, woman, and child evolving on Earth until every person individually acknowledges and accepts the Oneness of ALL Life, and every expression is a Loving benediction.

Blaze the Light of a thousand Suns through all of the incoming babies, the children, their parents and guardians until ALL youth are raised up in energy, vibration, and consciousness to carry out the directives of their I AM Presence.

Blaze the Light of a thousand Suns through all youth centers and activities; all schools, colleges and universities; all leaders, teachers, instructors and professors in every line of endeavor until the Flame of God Illumination and Enlightenment is manifest and eternally sustained.

Blaze the Light of a thousand Suns through all religious and spiritual teachings, until Divine Love, Truth, Tolerance, and Universal Sisterhood and Brotherhood is tangibly manifest, and a Renaissance of Divine Love is the Order of the New Day on Planet Earth.

Blaze the Light of a thousand Suns through all doctors, nurses, healers, hospitals, insurance companies, pharmaceutical conglomerates, and every institution associated with healing of any kind until Divine Mercy, Genuine Caring, Compassion, and Healing are manifest realities for every person.

Blaze the Light of a thousand Suns through all banking and financial institutions, all economic systems, all money, and all of the people associated with monetary interactions of any kind until every person on Earth is openly demonstrating true integrity, honesty, generosity, fairness, abundance, financial freedom, and the God supply of all good things.

Blaze the Light of a thousand Suns through all places of incarceration and all employed there, through every correctional institution and every judge, jury and court of law until Divine Justice is manifest and eternally sustained.

Blaze the Light of a thousand Suns through all space activities throughout the world until every nation unites in cooperative service, so that God's Will may be manifest with our sisters and brothers throughout the Universe.

Blaze the Light of a thousand Suns through the physical, etheric, mental, and emotional bodies of Humanity until all disease and human mis-creation, its cause and core, is dissolved and transmuted into purity, vibrant health, and physical perfection.

Blaze the Light of a thousand Suns through the food and water industries and through all of the food and water used for human consumption until every particle of food and every molecule of water is filled with Light. Empower this Elemental substance to raise the vibratory action of Humanity's physical, etheric, mental, and emotional bodies until physical perfection becomes a sustained manifest reality for every Human Being.

Blaze the Light of a thousand Suns in, through, and around every remaining electron of precious Life energy associated with the Nature Kingdom, the Animal Kingdom, the Elemental Kingdom, and the Environment of Earth until ALL are purified and the perfection of the 5th-Dimensional New Earth is manifest.

I accept and know that this activity of the Violet Flame has been secured through every person's Heart Flame by his or her I AM Presence. This Sacred Fire will increase daily and hourly with every breath I take until this Earth and ALL her Life are manifesting the perfection of the New Earth. And so it is.
